Dear Sir:- The increasing demand for our stock in your State
the last few years, has caused us to pay special attention to the
growing of such kinds and varieties of fruit trees as your trade
demands.   On account of having increased our plant the past year
to double what it has been in the past, we have in surplus the fol-
lowing stock to offer for this Fall and Winter shipment:

100,000	Apples	in variety, No 1,	one year,	4 to 6 ft.
55,000	Cherry	"	"	"
65,000	Pear	"	"	"
20,000	Apricot	"	"	"
30,000	Peach	"	"	"
100,000	Prune	"	"	"
12,000	Plum	"	"	"
3,000	Almonds	"	"	"

The above trees are all strictly first class, thrifty, and stock-
y. The finest we have ever grown.

If you can use any of the above named stock, please mail us a
list of what you needing, and we will quote you prices. We be-
lieve we can save you money, as we will make very low prices on
anything you can use, either in small or car load lots.

The freight rate by rail has lately been reduced to 40 cts per
100 lbs. in boxes or bales to Sacramento, S. F., Oakland, San
Jose, Marysville,, Stockton, Niles, Woodland, Davisville and all
intermediate points, and to $50.00 per car load; this is less than
half the rate charged last season; to Los Angeles $110.00 per car,
less than car lots 85 cts per 100 lbs in boxes or bales.

We can pack from 25,000 to 30,000 trees in a furniture car, so
the freight costs only 1/5 of a cent each on trees to the first
named points, and 2/5 of a cent to Los Angeles on trees in car
load lots.

Inspector's certificate will accompany each shipment.

We will be pleased to receive a list of what you want by early
mail, for prices.

Yours truly,

Ore Wholesale Nursery Co
